Bihar government expresses inability to bring back migrant labours and students, cites lack of buses

Patna Bihar government has expressed its inability to bring back migrant labours and students stranded in various parts of the country citing lack of enough buses at the disposal of the state government.

Deputy Chief Minister Sushil Kumar Modi on Wednesday welcomed Union Home Ministry's fresh guidelines paving way for the return of migrant labourers and students to their home state. The Union Home Ministry also permitted respective state government's to take adequate steps to facilitate the return of migrant labourers and students. However, Sushil Modi made it clear that the state government did not have enough buses to bring back migrant labourers and students from various parts of the country. "Union Home Ministry has not permitted starting of trains and it is obvious that everyone has to be brought back to the state in buses but we do not have enough buses to bring back so many people from across the country," Sushil Modi said.

He said the Bihar government will communicate with respective state governments to find a way to facilitate return of migrant laborers and students to Bihar.

Migrants on the move: Loom workers start long journey from Maharashtra's Bhiwadi to UP, Nepal on foot

New Delhi Hundreds of men, women - young and old - carrying bags, water bottles and toddlers on their backs, walking along the Mumbai-Agra national highway from Bhiwadi to thousands of miles away to their homes in Uttar Pradesh and even Nepal. Some are on foot and others on the bicycle. The sight has become common, even constant of the road which passes through Bhiwadi and Kalyan bypass going towards Nashik and further leads to Uttar Pradesh. These are the people formerly employed by loom mills in Maharashtra's Bhiwadi. Even in normal circumstances, circumstances and low wages force eight to 10 workers to stay in a room barely eight feet wide and eight feet long. With no work and their salaries unpaid, they fear they will starve to death if they don't reach their homes.

Halburam from Nepal, who is walking on foot, spoke to India Today TV, "We have not been getting salaries. Initially, we received a little ration but now that is also is not available anymore." "I have been staying in Bhiwadi for several years, but since the lockdown, the situation is completely different and scary. In the beginning, we were able to borrow on credit from local kirana stores but now the store owners have started asking for money. We now have no other option than to leave as, if we stay, we will not survive," he said.

Halburam prays to God for strength to get him across the India Nepal border to his native village, which is about 1700 kilometres. "I will see if we get any means of transport then it will be helpful, but if not, I will try keep moving towards my home on foot," he said.

Jammu and Kashmir: Security agencies bring in new SOP to deal with terrorism amid Covid-19 outbreak

New Delhi In the midst of Covid-19 pandemic, the security grid has brought in new Standard Operating Procedure (SOP) to deal with Pakistan-backed terrorism in Jammu and Kashmir. Though the new strategy has not been publicly disclosed, action taken on the ground in recent times has left little ambiguity that the new SOP has already been implemented. Here are some features that are part of the new SOP. Jammu and Kashmir security forces on Wednesday achieved a major success when they killed Ansar Gazwat ul Hind (AGH) Burhan Koka and two of his associates at Melhoora in south Kashmir's Shopian district. Instead of usual practice of claiming 'victory' or 'success' followed with a press conference or a byte, the J&K Police released a statement which shared just the basic information that "in the ensuing encounter, 3 terrorists were killed. The identification of killed terrorists is being ascertained."

The strategic move to stop recruitment is to deny the terrorist publicity by naming them or their tanzim (organisation). The ensures that the terrorist remains unidentified. The J&K Police is now tightening screws to make sure that such leaks are fixed even at the local level. The Army and CRPF are also on board with this strategy. "Our challenge is to stop recruitment of new militants. So we have to adopt new strategies. For any ordinary militant, why should the corps commander or DGP do a press conference? One of effective tool is to starve terror groups of publicity they seek," a senior officer in the J&K Police told India Today. The security grid has avoided pitfalls including giving out details of top 10 or 20 'most wanted terrorists'. Sources said the same glamourises terrorism. "Our men want rewards and medals, not publicity," an official said.

RERA : NO MORE FRAUDS WITH HOME BUYERS

In the earlier days, we had seen that most of home buyers being cheated by the builders and developers wherein builder always took money first either in cash or cheque by showing certain ongoing projects but when time come to fulfil his commitment then home buyers used to know that they are being cheated. In such situation the police machinery used to register the FIR in absence of proper law under IPC but ultimately home buyer after lapses of years realise that till now he is homeless and now he had to fight a battle to recover his money. Looking to such situation, the central government enacted The Real Estate (Regulation and Development) Act, 2016.

By enacting said act the Parliament of India seeks to protect home-buyers as well as help boost investments in the real estate industry. The Act establishes a Real Estate Regulatory Authority (RERA) in each state for regulation of the real estate sector and also acts as an adjudicating body for speedy dispute resolution. Government of India has enacted the said act and all the sections of the Act came into force with effect from May 1, 2017. The key objectives of the Act are:

(i) Ensuring Transparency & Efficiency in real estate sector in regards to sale of plot, apartment, building or real estate project. (ii) Protecting the interest of consumers in real estate sector. (iii) Establishing adjudicating mechanism for speedy dispute redressal. (iv) Establishing Appellate Tribunal to hear appeals from the decisions, directions or orders of the Real Estate Regulatory Authority.

Under this Act, Government of Maharashtra established Maharashtra Real Estate Regulatory Authority (MAHARERA),

vide Notification No. 23 dated 8 March 2017, for regulation and promotion of real estate sector in the State of Maharashtra, with its headquarters at Mumbai.

The Real Estate Act makes it mandatory for all commercial and residential real estate projects where the land is over 500 square metres, or eight apartments, to register with the Real Estate Regulatory (RERA) for launching a project, in order to provide greater transparency in project-marketing and execution. Application for registration must be either approved or rejected within a period of 30 days from the date of application by the RERA. On successful registration, the promoter of the project will be provided with a registration number, a login id, and password for the applicants to fill up essential details on the website of the RERA. For failure to register, a penalty of up to 10 percent of the project cost or three years imprisonment may be imposed. The registration granted under section 5 may be extended by the Authority on an application made by the promoter due to force majeure, in such form and on payment of such fee as may be prescribed. Provided that the Authority may in reasonable circumstances, without default on the part of the promoter, based on the facts of each case, and for reasons to be recorded in writing, extend the registration granted to a project for such time as it considers necessary, which shall, in aggregate, not exceed a period of one year. The Authority may, on receipt of a complaint or suo motu in this behalf or on the recommendation of the competent authority, revoke the registration granted under section 5, after being satisfied that:

(i) the promoter makes default in doing anything required

by or under this Act or the rules or the regulations made thereunder; (ii) the promoter violates any of the terms or conditions of the approval given by the competent authority; (iii) the promoter is involved in any kind of unfair practice or irregularities.

Real estate agents who facilitate selling or purchase of properties must take prior registration. Such agents will be issued a single registration number for each State or Union Territory, which must be quoted by the agent in every sale facilitated by him. If any real estate agent fails to register, he shall be liable to a penalty of ten thousand rupees for every day during which such default continues, which may cumulatively extend up to five per cent of the cost of plot, apartment or buildings, as the case may be, of the real estate project, for which the sale or purchase has been facilitated.

A promoter shall not accept a sum more than ten per cent of the cost of the apartment, plot, or building as the case may be, as an advance payment or an application fee, from a person without first entering into a written agreement for sale with such person and register the said agreement for sale, under any law for the time being in force. The agreement for sale referred herin shall be in such form as may be prescribed and shall specify the particulars of development of the project including the construction of building and apartments, along with specifications and internal development works and external development works, the dates and the manner by which payments towards the cost of the apartment, plot or building, as the case may be, are to be made by the allottees and the date on which the possession of the apartment, plot or building is to be hand-

ed over, the rates of interest payable by the promoter to the allottee and the allottee to the promoter in case of default, and such other particulars, as may be prescribed.

The promoter shall compensate the allottees in case of any loss caused to him due to defective title of the land, on which the project is being developed or has been developed, in the manner as provided under this Act, and the claim for compensation under this subsection shall not be barred by limitation provided under any law for the time being in force. If the promoter fails to discharge any other obligations imposed on him under this Act or the rules or regulations made thereunder or in accordance with the terms and conditions of the agreement for sale, he shall be liable to pay such compensation to the allottees, in the manner as provided under this Act.

As per section 31 of the act, any aggrieved person may file a complaint with MAHARERA or the adjudicating officer, as the case may be, with respect to any registered real estate project, for any violation or contravention of the provisions of this Act or the rules and regulations made there under. Where during an inquiry, the Authority is satisfied that an act in contravention of this Act, or the rules and regulations made thereunder, has been committed and continues to be committed or that such act is about to be committed, the Authority may, by order, restrain any promoter, allottee or real estate agent from carrying on such act until the conclusion of such inquiry or until further orders, without giving notice to such party, where the Authority deems it necessary. The Authority shall establish an adjudicating mechanism for speedy redressal of such complaints. Any

person aggrieved by any direction or decision or order made by MAHARERA or by an adjudicating officer may file an appeal before the Appellate Tribunal. Any person aggrieved by any decision or order of the Appellate Tribunal, may file a petition to the High Court. The Act prohibits unaccounted money from being pumped into the sector and as of now 70 per cent of the money has to be deposited in bank accounts through cheques is now compulsory. A major benefit for consumers included in the Act is that builders will have to quote prices based on carpet area not super built-up area, while carpet area has been clearly defined in the Act to include usable spaces like kitchen and toilets. Under RERA, its mandatory for the builders to disclose the carpet area. The said act is overall made for the benefits of home buyers and protects their rights from being cheated by the builders, after the enactment of said act there is fall in such types of complaint as now the MAHARERA authority is there to take care of such type of complaint if any arises.

Minor allegedly killed by kin for having an affair with boy from another community

Udaipur : A 16-year-girl from Pali district of Rajasthan was allegedly killed for having an affair with a boy from another caste. The girl was reportedly strangled to death by her mother and uncle who later burned the body and buried it near the river banks.

According to police officials, the girl used to live with her family members in Punay district of Rajasthan and was a native of Sonai Manji village - 10-kilometres from Pali district headquarters.

"The victim, identified as Rinku Sirvi, allegedly had an affair with a boy from Maharashtra with

whom she had escaped three-months back. She was later found at Dadar railway station in Mumbai. The boy with whom she had escaped was arrested on charges of kidnapping and other relevant sections under the POCSO Act," said Rahul Katakey, superintendent of police (SP), Pali.

The boy, who was

around 20-years-old, was granted bail a month later after which Sirvi told her mother that she wanted to get married to him once she is an adult. Her mother and uncle were allegedly completely against it. Irked by Sirvi's persistence, her mother Sita and uncle Savaram made a plan to kill the minor. They took the victim to Sonai Manji village instead of visiting their deity's temple.

"On March 19, Sita

and Savaram went to visit their deity's temple located in isolated farms where they strangled the victim's neck and burned her body later. As the body was burnt partially, they packed it in a sack and buried it near a river bank located 1.5 kilometres away from the spot where the victim was killed," the SP added.

After disposing of the

body, Savaram returned to Punay while Sita went to her parent's home in Sodawas village of Alwar district.

Few days back, the Pali police received a tip and recovered the body. The officers later interrogated the parents after which Sita and Savaram confessed to the crime and were arrested on Wednesday. Further investigation is underway.

Coronavirus: Will India pin its hopes on anti-viral drug remdesivir?

New Delhi After Gilead Science's anti-viral drug remdesivir showed signs that it could become a standard of care to fight Covid-19 pandemic, a US government disease expert welcomed the key clinical trial results. India, too, may pin its hopes on the drug in a bid to treat rising Covid-19 patients.

Gilead Science's antiviral drug remdesivir gained traction after the US government's top infectious disease expert Dr Anthony Fauci called the early results of a key clinical trial as "good news" in the fight against novel coronavirus.

Preliminary results showed that patients given remdesivir recovered 31 per cent faster than those given a placebo. Also read: Gilead says remdesivir shows improvement in Covid-19 patients when used early US President Donald Trump called the remdesivir drug trials "a stepping stone in moving faster in the direction of making a vaccine".

Fauci said, "FDA is working with Gilead to figure out mechanisms to make this easily available to those who need it." The National Institute of Allergy and Infectious Diseases, a wing of the National Institutes of Health (NIH) in the US, said early results from its 1,063 patient trials show that hospitalised Covid-19 patients who were given remdesivir recovered in 11 days, compared to 15 days for those who were given a placebo. The study also showed that 8 per cent of patients who were given the drug died, as compared to 11.6 per cent in the placebo group. However, the difference was not statistically significant so may not be due to Gilead's drug, they added. India is part of World Health Organisation's (WHO) solidarity trials for vaccines.

Indian Council of Medical Research (ICMR) Director Dr Raman Gangakhedkar said earlier that India has kept an eye out on the results from the trials conducted with remdesivir and the data that is being collected on it.

"It is a product made by Gilead company. ICMR is participating in a solidarity trial with WHO, an arm of that solidarity trial is also working on the efficaciousness of remdesivir.

चिपळूण, ता. ३० : चिपळूण तालुक्याला बुधवारी सायंकाळी पुन्हा एकदा अवकाळी पावसाचा तडाखा बसला आहे. मेघघर्जनेसह कोसळलेल्या तासभर वादळी पावसाने शहर परिसराबरोबरच तालुक्याला चांगलेच झोडपून काढले. या पावसात दळवटणे, मोरवणे, वालोटी, कापरे, अडोरेसह अन्य गावांमध्ये नुकसान झाले आहे. दरम्यान, मुंबई-गोवा महामार्ग चौपटरीकरणातील भरावाची मती रस्त्यावर आल्याने परशुराम घाटातील वाहतूक तासभराहून अधिक काळ ठप्प झाली होती.

एप्रिल महिन्यात यापूर्वी झालेल्या दोन्ही वेळच्या अवकाळी पावसाने तसेच गारपीटने चिपळूण तालुक्यात हाहाकार उडवला होता. या पावसाने अनेक घरादारांचे लाखोंचे नुकसान केले आहे. आंबा पिकालाही मोठा फटका बसला आहे. यातूनच गेले आठवडाभर तालुक्यातील जनता सावरत असतानाच बुधवारी दुपारी पावसाने पुन्हा हजेरी

फेसबुक लिंकपासून सावधान, सायबर क्राइम पोलिस विभागाचा सल्ला

हिंगोली, ता. ३० : तुम्ही मागच्या जन्मात कोण होता, तुमच्या नावाचा पौराणिक अर्थ काय, हे जाणून घेण्यासाठी दिलेल्या लिंकवर क्लिक करा, अशी सूचना मिळाल्यानंतर माहिती खरी मिळणार नाहीच

उलट मित्रांची मात्र फसवणूक होऊ शकते, त्यामुळे अशा लिंकपासून नागरिकांनी सावध राहण्याचे आवाहन सायबर क्राइम विभागाने केले आहे.

लॉकडाऊनमुळे फेसबुक व व्हॉट्सअॅपचा

यातच सातत्याने अवकाळी पावसाचा फटका बसू लागल्याने आंबा पिकाचे मोठया प्रमाणावर नुकसान झाले आहे. नैसर्गिक आपत्तीमुळे आंबा बागायतदार व शेतकरी हवालदिल झाले आहेत. यापूर्वी पडलेल्या पावसामुळे भरावाची माती रस्त्यावर येऊन सलग दोनवेळा परशुराम घाटातील वाहतूक विस्कळीत झालेली असतानाच बुधवारी पुन्हा एकदा वाहनचालकाना सामोरे जावे लागले. महामार्ग चौपटरीकरणाचे काम कल्याणी टोलवेज कंपनी करीत आहे. मातीचा भराव, पडणारा पाऊस यामुळे कोणताही धडा न घेतल्याने वाहनचालकाना पुन्हा मनस्ताप सहन करावा लागला. सुरुवातीला मातीतूनच एकेरी वाहतूक सुरू होती. मात्र कंटेनर अडकल्यानंतर वाहतूक पूर्णतः ठप्प झाली. सायंकाळी ४.३० वाजता ठप्प झालेली वाहतूक ५.४५ वाजता हळूहळू सुरू झाली. ठप्प झालेल्या वाहतुकी मुळे रस्त्याच्या दुतर्फा वाहनांच्या रांगा लागल्या होत्या.

सौम्य लक्षणे असल्यास घरगुती विलगीकरण !

मुंबई, ता. ३० : सौम्य स्वरूपाची लक्ष असलेल्या कोरोनाबाधित रुग्णांचे घरगुती विलगीकरण करण्याची परवानगी केंद्रीय आरोग्य मंत्रालयाने दिली असून मंगळवारी त्यासंदर्भातील नवे आदेशपत्र काढण्यात आले. करोनाबाधितांच्या विलगीकरणाच्या पद्धतीत बदल करण्यात आला आहे. यापूर्वी एप्रिल रोजी मूळ आदेशपत्र प्रसिद्ध केले होते. नमुना चाचणीत निदान मिळाले नसेल तरी संशयित रुग्णांचे, तसेच बाधित रुग्णांचे रुग्णालयात वा आरोग्यसेवा केंद्रांमध्ये विलगीकरण केले जात होते. अन्य व्यक्तींना होणारा संसर्ग टाळण्यासाठी आणि संक्रमणाची साखळी तोडण्यासाठी ही विलगीकरणाची पद्धत अवलंबली जात होती. आता मात्र सौम्य लक्षणे असणाऱ्या रुग्णांचे रुग्णालयाऐवजी घरगुती

विलगीकरण केले जाणार आहे, अशी माहिती केंद्रीय आरोग्य सचिव लव अग्रवाल यांनी दिली. **घरगुती विलगीकरणासाठी अटी**
* नमुना चाचणीतील निदानानंतर सौम्य लक्षणे असलेल्या रुग्णाला घरगुती विलगीकरणासाठी वैद्यकीय अधिकाऱ्याची परवानगी आवश्यक.
* रुग्ण आणि त्याच्या कुटुंबातील सदस्यांचे विलगीकरण करता येईल, अशी सुविधा घरात असणे आवश्यक.
* रुग्णाच्या आरोग्यसेवेसाठी २४ तास घरातील सदस्य-मदतनीस असणे गरजेचे.
* मदतनीस आणि रुग्णालय यांनी एकमेकांच्या सातत्याने संपर्कात राहिले पाहिजे.
* मदतनीस आणि रुग्णाच्या संपर्कात येणाऱ्या सर्वांनी प्रतिबंधात्मक औषध वैद्यकीय अधिकाऱ्याच्या सल्लाने घेणे

गरजेचे आहे.
* रुग्णाने आरोग्य सेतू अॅप मोबाइलवर डाऊनलोड करणे सक्तीचे आहे.
ब्लू-टूथ व वायफाय २४ तास सुरू ठेवले पाहिजे.
* जिल्हा देखरेख अधिकाऱ्याला रुग्णाने आपल्या आरोग्याची माहिती सातत्याने देणे आवश्यक आहे.
घरातील रुग्णांनी वैद्यकीय मदत कधी मागावी ?
* र्वास घेताना त्रास होत असेल तर.
* छातीत दुखत असेल तर, किंवा छातीवर दबाव आला असे वाटले तर.
* ओठ, चेहरा निळसर झाला असेल तर.
* मानसिक गोंधळ होत असल्याचे दिसले तर.
घरगुती विलगीकरण कधी थांबवावे ?
नमुना चाचणीमध्ये रुग्ण पूर्णतः बरा झाला असे निदान झाले तर, किंवा वैद्यकीय अधिकाऱ्याने तसे प्रमाणपत्र दिले तर घरगुती विलगीकरण थांबवण्याची मुभा दिली जाईल.
